

Pop-up Summer club

1 May – 30 June 2022

BY HOLIDAY INN BRUSSELS AIRPORT

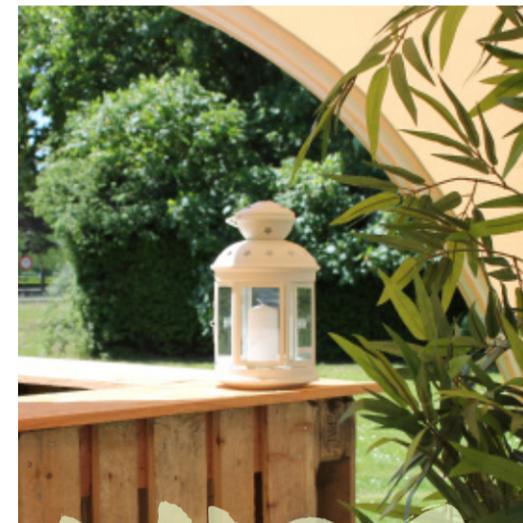

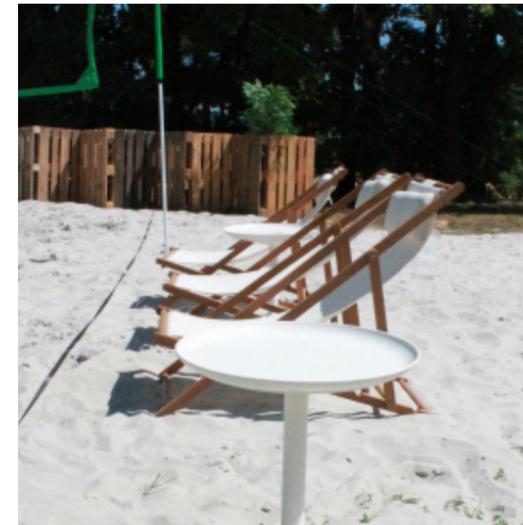

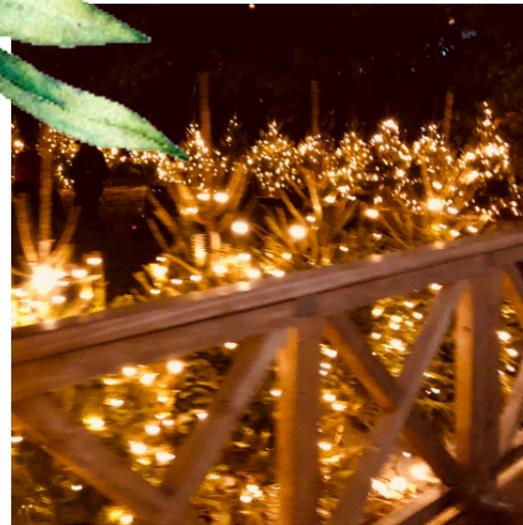

We love

Pop-up events are part of the Holiday Inn Brussels Airport's identity.

Our passion is to always bring more extravagance to our events.

From building an alpine chalet in winter to bringing the beach to Brussels Airport in summer, it is this touch of madness which makes our strength.

Each year, we see further, go back to the drawing board to come up with fresh ideas: **our aim is to surprise.**
